

# River East Royals A Hockey Program

## Jersey and Socks Replacement Policy

REMHA allows the reuse of jerseys and socks from one season to the next for the Royals program subject to the following criteria:

- A. Jerseys and socks must fit properly, have no rips, torn seams, stains, or faded due to washing etc. The coaching staff will be responsible for the initial assessment to determine if a jersey or socks need to be replaced. Any disagreement between the coaching staff & a parent will be arbitrated by the Equipment Director.
- B. Name bars on the jerseys will display the last name of the player & the name bar will be the same color as the jersey. The name bar, letter font & size will be the standard (2”) two inch letters that REMHA has stipulated with the supplier as has all issues regarding the style, logo, colors, supplier etc.
- C. Duplicate numbers will occur as a result of the draft process used to select teams. There may be two or more players with the same number & replacement of sweaters will be required. In the event of duplicate numbers the player who gets to keep the number will be determined by a flip of the coin. The cost of replacing jerseys of the player or players not winning the flip will be borne equally by the players INCLUDING the player who won the flip.
- D. Players coming into the Royals program will need to purchase their Home & Away jerseys and socks upon team formation. The Equipment Director will arrange the date and time to attend at Gateway to be fitted.
- E. In the event our supplier is unable to acquire & supply jerseys of the current style and color, new jerseys will be required for all players.
- F. Coaches will arrange a meeting of their selected team within one or two days of drafting/ selection of their team to determine the jersey & sock replacement needs for the current season subject to item E. above. The Equipment Director will advise the date & time for your team to attend at Gateway for fittings, name bars etc.
